Re: *In re: Literary Works in Electronic Databases Copyright Litigation* MDL 1379

Dear Judge Daniels:

Enclosed with this letter is a fully executed stipulation and proposed order. The stipulation reflects the resolution of a matter I brought before the Court by my letter to you March 15, 2015, Document 88. On March 26, 2015 you ordered the issues referred to Magistrate Judge Fox. There were further filings, and on June 16, 2015 there was telephonic hearing before Judge Fox. We did not at that time have a stipulation but we advised the Judge Fox that we thought we were close to reaching agreement, and as recited in the Stipulation he directed us to submit the Stipulation and Order to you for approval.

Respectfully,

A handwritten signature in black ink, appearing to read 'Charles Chalmers', with a long, sweeping horizontal stroke at the end.
